SKIN CARE

Step 1 - Cleansers

Cleansing is the all important first step in any skin care regimen. Without the proper cleanser everything else you do afterward is for nothing - **soap or just plain water won't do!** It is often misunderstood and dismissed. Without proper cleansing, your skin care regimen and the products you use, will not be effective. Good cleansers give your skin care the right start!

cleanses

- Aloe Milk Cleanser™ 8 oz / 240 ml**
 skin type: sensitive, dry, fragile, mature or dehydrated skin
 A gentle, water rinsible non-allergenic, non-comedogenic deep cleansing milk. Leaves your skin hydrated, soft, clear and supple.
- Aloe Facial Shampoo™ 8 oz / 240 ml**
 Available in classic or with peach essence.
 skin type: normal, oily, acne prone, acneic or rosecea skin
 Gentle fully water rinsible foaming cleansing gel. Provides a 'soap and water squeaky' clean feel, with none of the residue and harmful drying effects of soap. Leaves your skin clean, clear, soft and supple. Non-comedogenic, non-allergenic.
- Face and Body Shammy / Sponge Cloth 27.5 cm x 27.5 cm**
 skin type: all skin types, excellent for babies and toddlers
 Luxuriously soft face and body wash cloth. Gentle enough for use on even the most delicate skin. Excellent for removing makeup, impurities, masks, peels, etc. Super absorbent. Prevents potential rubbing, abrading and irritation of skin; problems traditional washcloths often cause. Bacteria and fungus resistant. Machine washable.

Step 2 - Toners

Toners form the very important second step in your skin care regime. Often seen as unnecessary or optional, their role is misunderstood. Toners are sometimes seen as 'just another product I am being pushed to buy'. With a quality toner this is far from the truth.

Your toner is essential, after cleansing, in re-balancing your skin's acid mantle's pH to its proper level, so that the products in the next steps of your skin care regimen can do their jobs effectively.

tone

- **Aloe Liquid Toner™** 8 oz / 240 ml
skin type: normal, oily, acne prone, acneic or rosecea skin

A soothing, hydrating moisture boost for your skin. Formulated to help re-establish your skin's pH balance. Refreshes, soothes, nourishes and tones, while preparing your skin to receive and better use active products. With Whole Leaf Cold Processed Aloe Vera (98.6%) and Lactic Acid (for additional oil control). Non-comedogenic, non-allergenic, free of alcohol, fragrance, color agents and disinfectants.

- **Aloe Mist Toner™** 4 oz / 120 ml or 8 oz / 240 ml
skin type: all skin types

Universal toner to bring essential hydration into your skin, while helping to re-establish your skin's pH balance. Refreshes, soothes, nourishes and tones, while preparing your skin to receive and better use active products. With Whole Leaf Cold Processed Aloe Vera (98.7%) and Micellized Vitamins A and E, powerful anti-oxidants to help fight environmental pollutants such as free-radicals. Non-comedogenic, non-allergenic, free of alcohol, fragrance, color agents and disinfectants.

Step 3 - Exfoliants

Exfoliation is an essential and natural part of skin renewal and its proper care. It is recognized by skin professionals as an essential - not to be missed - part of any truly effective, result delivering skin care regimen.

Aloe Exfoliant® Glycolic, Nancy K. Brown's industry leading series of proprietary formulated exfoliants, combines the optimal exfoliating and skin stimulating powers of the purest Glycolic (the best of the AHAs) with the proven nourishing and hydrating properties of Whole Leaf Cold Processed Aloe Vera. Offering you a non-neutralized, non-inhibited free Glycolic based exfoliant.

exfoliate

- **Aloe Exfoliant® Glycolic Gel - 5% or 10%**

2 oz / 60 ml or 8 oz / 240 ml

skin type: 5% - sensitive, dry, fragile or dehydrated skin

10% - normal, combination, mature, oily or acne prone skin

Gentle and effective exfoliating gel. Its unique formulation combines the optimal exfoliating and stimulating powers of the purest Glycolic with the proven healing, nourishing and hydrating properties of Whole Leaf Cold Processed Aloe Vera. Non-comedogenic, non-allergenic, free of alcohol, fragrance, color agents and disinfectants. Quick absorbing.

- **Aloe Exfoliant® Glycolic Gel - 5% or 10% + 2% Salicylic (BHA)***

2 oz / 60 ml or 8 oz / 240 ml

skin type: 5% - sensitive oily or acneic skin

10% - oily, acneic or rosacea skin

This gel is formulated to aid in the treatment of oily and/or acne prone skin. Salicylic Acid helps to dislodge and clear stubborn sebum and debris from deep in the skin; aids in controlling the skin's oil production. For those suffering from Rosacea, it has the ability to assist in calming the areas of concern. Aloe Exfoliant Glycolic uses its exfoliating action to remove the barriers of dead skin cells that obstruct pores, ducts and follicles. Free of fragrance, color agents and disinfectants. Quick absorbing.

*Not recommended for individuals sensitive to aspirin.

Step 4 - Hydrators

Hydration is a revolutionary skin care concept and category, pioneered by Nancy K. Brown; it is the answer to the shortcomings of moisturizers.

Proper hydration levels are essential for optimal skin functioning. If the skin's hydration levels are not adequately maintained, the skin can not function efficiently. This may cause it to experience dryness, discomfort, breakouts, irritation, allergies or compromised skin metabolism. **All Nancy K. Brown hydrators are formulated with Whole Leaf Cold Processed Aloe Vera, to deliver essential hydration where it is needed most - into your skin. To soothe, calm, nourish and hydrate.**

hydrate

- **Aloe Vera Gel Hydrator™** 8 oz / 240 ml
 skin type: all skin types, especially irritated and sensitized
 Quick absorbing hydrator, helps restore and normalize your skin's hydration level. Non-comedogenic, non-allergenic. Completely oil, alcohol, fragrance and color free.
- **Aloe Pro Gel Hydrator™** 4 oz / 120 ml or 8 oz / 240 ml
 skin type: all skin types, especially oily, acne prone or acneic
 Quick absorbing hydrator, helps restore and normalize your skin's hydration level. Fortified with Micellized Vitamins A and E, powerful anti-oxidants, to help environmentally stressed skins combat free radicals. Non-comedogenic, non-allergenic. Completely oil, alcohol, fragrance and color free.
- **Aloe Hydrant Essence™** 4 oz / 120 ml
 skin type: all skin types, especially mature, fragile, dehydrated, dry or rosacea
 Super hydrator and anti-oxidant for help in repair of environmentally damaged skin. Contains Micellized Vitamins A and E and Hyaluronic Acid for increased moisture retention for sensitive, dehydrated or aging skins. Quick absorbing, non-comedogenic, non-allergenic. Completely oil, alcohol, fragrance and color free.

Step 5 - Moisturizers

All Nancy K. Brown moisturizers are formulated with our Whole Leaf Cold Processed Aloe Vera crème or lotion base to bring your skin proven botanical soothing, nourishing and healing benefits, while helping active ingredients go into your skin easily.

moisturize

- **AloCel C™ Topical Vitamin C Therapy**

1 oz / 30 grams or 2 oz / 60 g

skin type: all skin types, especially oily, acne prone or acneic

An intensive botanical skin rejuvenating crème. Brings the latest advances in the science of topical vitamin therapy in a bio-available form the skin can recognize and use. Helps the skin in its fight against aging. Contains a synergistic blend of various Vitamin C's and powerful anti-oxidants in a Whole Leaf Cold Processed Aloe Vera crème base. Non-comedogenic, non-allergenic, color and oil free.

- **All Purpose / TLC Crème** 2 oz / 60 g

skin type: dry, sensitive or irritated skin

BODY CARE

Body Care

Skin covers the entire body, not just the face! Most people, however, lavish care and attention upon the skin of their face, giving scant thought to the rest of the body. "But the skin on the face needs more care, because it is more delicate", is often the reason given. Yet all of your skin deserves care and attention.

- **Hand and Body Lotion + 12% Glycolic** 8 oz / 240 ml

skin type: all skin types

Results, comfort and relief. This industry-leading, cutting edge, proprietary formulation hand and body exfoliating and moisturizing lotion helps give relief from rough, dry skin, helps prevent ingrown hair, and removes keratosis polaris (pebbly plugs) from upper arms, thighs and buttocks. Leaves skin moisturized and silky smooth. Non-greasy, non-allergenic, non-comedogenic; free of color and fragrance. Quick absorbing, does not leave an uncomfortable film on the skin. Use daily, for a smoother, glowing and younger feeling and looking skin.

- **Body Polish** 8 oz / 240 ml

skin type: all skin types

Luxurious scrub pampers your body all-over. Made with natural loofah to exfoliate and natural botanicals to soothe and nourish. Stimulates circulation, letting you feel invigorated and refreshed. Use whenever dry or itchy; or weekly to help maintain healthy, glowing, smoother and younger looking skin.

- **Body Sculpting Crème** 8 oz / 240 ml

skin type: all skin types

This fast acting, quick absorbing crème is designed to help smooth, tone and reduce the appearance of cellulite on the hips, thighs, buttocks and other target areas. Its active Botanical Complex bests 'theophylline and aminophylline' based products.

Body Care Continued...

BODY CARE

Body Care

Besides looking better, longer, if properly cared for, skin is the body's largest organ and its first line of defense against infection and disease. Healthy, properly cared for skin, regardless where it is on the body, is vital for longevity and maintaining health.

Liniments

Nancy K. Brown Liniments are formulated to help provide quick and effective relief for those suffering from muscle and joint discomfort or pain.

body care

- **Aloe Vera Drink** 33.8 oz / 1 litre

classic - unflavoured or with natural cranberry

Potent wellness drink made from the most potent Whole Leaf Cold Processed Aloe Vera available today.

HAND CARE

Hand Care

Hands, fingers and their skin take constant abuse from the elements - often immersed in water, soaps and/or harsh chemicals. The skin of the hands is constantly attacked and its natural oils, moisture and lubricants are removed. The result can be rough, dry, prematurely aged hands or in more extreme cases cracking, calluses and fungal problems - therefore, make Hand Care part of your daily Skin Care routine.

hand care

- **Hand Rescue Salve** 4 oz / 120 ml

skin type: all skin types

Rough, dry and cracked hands are a thing of the past! When nothing works, Hand Salve will come to the rescue. Power formulated with DMAE, Aloe Vera, Alpha Lipoic Acid, Dimethicone and soothing botanicals, to comfort, nourish, restore and rejuvenate.

- **Formula F - Solution** 1/2 oz / 15 ml

brush-on - for fungal-prone nails

An effective, high potency, topical, anti-microbial, non-oily, natural solution for finger and toe nails and cuticles prone to fungal infections. Helps to repair, strengthen and condition for a healthy look and feel. Quick acting, easy to use.

- **Moisture / Beauty Gloves**

excellent for use with the Hand Rescue Salve

For those who suffer from dry or rough, chapped hands, these luxurious gloves are made from cotton / polyester and spandex for softness, durability, flexibility and great fit. Helps moisture absorption / retention leaving your hands soft, supple, hydrated and silky smooth. Reusable and washable.

BUST AND NECK CARE

Bust and Neck Care

The bust and neck, also known as the décolleté, are often overlooked. For most people, the bust and neck do not form part of their regular skin care routine. It is here, however, that the signs of ageing first show and are most noticeable.

Sun exposure, gravity and neglect take their toll
- a neglected bust and neck area will reveal your true age.

bust & neck

- **Toning Crème for Bust and Neck** 2 oz / 60 g

skin type: all skin types

The active botanicals in this silky smooth, easily absorbed crème, help to prevent stretch marks. Designed to help improve the elasticity, resilience and toning of the skin and tissue of the breasts, bust and neck areas. Contains Ethyl Ximenynate, Centella Phytosome, Ginseng Phytosome to help increase oxygen availability in skin tissue and stimulate collagen production.

FOOT CARE

Foot Care

Your feet deserve the best of care and pampering.

They are some of your hardest working body parts, a true marvel of engineering. They contain 25% of your body's bones, absorb 1 1/2 times your body weight with each step you take; yet often neglected, until they start showing the signs of neglect - dryness, splits, calluses, fungus, to name but a few. Proper foot care is not a luxury, it is a matter of quality of life.

Properly cared for feet give you better posture and gait, fewer pressure points, less foot odor, reduction in dry, rough, cracked skin and less callus build-up.
