

# NANCY K. BROWN SUN PROTECTION *step 5* *daytime*

is A DAILY MUST - protect your investment, your skin, from the damage the sun can do. **Everyday - during all seasons, all types of weather** - it will keep you looking and feeling your best at any age.

## SunDefense® Moisturizers

are **dual action multi-active moisturizers** which help in the prevention or minimization of long-term skin damage caused by environmental stresses. They seal in the skin's essential hydration - preventing its loss to the environment - while their **broad spectrum SunDefense® sun-protectants** help protect the skin against the elements and the sun's damaging rays.

- light weight feel
- non-greasy
- moisturizing
- multi-active
- fragrance free
- non-comedogenic
- non-allergenic
- may be used under make-up or alone
- dual action
- color free
- PABA free

**skin types: normal, sensitive or dry skins**

- 15 for moderate or occasional sun exposure
- 30+ for longer periods of sun exposure
