AIR X PRESS

- fast air dry topcoat

quick, AIR drying topcoat formula for natural nails, that greatly enhances the longevity and vibrance of polish colors.

- **final topcoat**
- **fast drying** - quickly seals and sets the surface of freshly applied polish
- **protects** - quickly dries to a tough crystal-hard finish, prevents smudging and scuffing
- **high gloss** - quickly forms a very shiny colorless finishing shield
- **non-oily**
- prevents chipping, peeling, cracking and splitting
- long wearing
- **sets, seals and protects polish**
- **greatly enhances your polish wear time**
- **use on natural nails as topcoat finishing glaze**
- gentle formula - Toluene and Formaldehyde free, for safer & environmentally friendly use
- no machine or dryer needed.

size available:

- \$ 10.50 - 15 ml / ½ fl. oz.
