NECK & BUST TONING CRÈME

Bust and Neck Toning Crème is especially formulated to help you maintain or recapture the beautiful contours and youthful appearance of your bust and neck areas. This area, if not properly cared for, unfortunately reveals a woman's true age, so keep them guessing with the Nancy K Brown BUST & NECK TONING CRÈME.

- **with active botanical, such as Whole Leaf Cold Processed Aloe Vera to help progressively improve the elasticity resilience and tone of the skin and tissues of the neck & bust areas for more youthful, supple feel & appearance**
- tones, firms and lifts - by helping to stimulate your skin's own natural collagen and elastin production
- **hydrates and moisturizes - leaves your skin velvety smooth**
- stimulates blood circulation where applied, for increased cellular oxygenation and improved cell / tissue functioning
- **helps in preventing wrinkles, loss of skin and tissue firmness and elasticity caused by weight fluctuations, pregnancy or aging.**

HOW TO USE:

- **basic:** after cleansing bust and neck areas, apply Bust and Neck Toning Crème liberally. Massage into skin with gentle upward circular motions, allow to be absorbed.
- **for even more eye opening results:** use Bust and Neck Toning Crème in conjunction with your **Aloe Exfoliant® Glycolic 5% or 10%**. (Apply Bust and Neck Toning Crème as the moisturizer (Step 5), following your glycolic and hydrator).

size(s) AVAILABLE:

- 45.00 - 60 ml / 2 fl. oz.

WHEN TO USE: after your relaxing bath or refreshing shower, morning or evening.
